

What to do when your child is ill

Parents in Witham are invited to a FREE NHS workshop aimed at providing information and advice about common childhood illnesses.

The workshops, run by Dr Ahmed Mayet (Fern House Surgery) run through a series of common scenarios regarding child health and provide practical advice on what to do and when.

Workshop details

When: Thursday 2 March

Time: 12:45pm to 2:30pm

Venue: Harlequin Children's Centre, Spa Road, Witham

To book your place or to find out the dates and times of other workshops please visit <https://bit.ly/2gOUKfq>.

Feedback from previous workshops showed that 100% of parents who attended would recommend the workshops to others with 86% scoring them between 8 and 10 (out of 10) for usefulness.

Comments from parents included:

"Interactive and relaxed, opportunity to ask questions to a range of professionals"

"It was great that the workshop was interactive. The professionals were very human"

"Excellent opportunity to hear from a GP, Pharmacist and 111 staff about services they provide and the scenarios that could trigger their support"
